NOTICE TO CUSTOMERS

We have one hundred and twenty-five acres devoted to the production of ornamental nursery stock. Our constant aim is to send out plants of the highest grade. Prices are as low as it is possible to make them and furnish a good article. Our stock sells on its merits and this price list is our only advertisement. Pleased customers are our only agents.

Stock will be supplied at prices named herein as follows: five of any one variety at ten rate; twenty-five of any one variety at hundred rate. Packing extra at cost. Special prices will be made on large quantities upon receipt of list.

We do not guarantee our stock to live and no allowance will be made for goods that fail to live after being planted. Our methods of handling and packing stock are up to date and we guarantee goods to be in good condition when they leave our grounds. If they are in transit an unreasonable length of time, the transportation company is held liable for them. Our responsibility ends upon delivery to carriers.

All claims for errors must be made immediately upon receipt of goods, or positively cannot be allowed.

We use the greatest care to have all stock true to name and will replace any that is untrue, but for any error we shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

Shipping facilities—We can make direct shipment over the L. S. & M. S. R. R.; B. & O. R. R.; N. Y. C. & St. L. R. R.; American Express, U. S. Express, and Electric Package.
